

Board Meeting Summary from May 23, 2007

The People's Food Co-Op Board of Directors voted in and welcomed a new member Tristan A. Jansen (TAJ) at the May meeting. Language was retained in the policies to insure that member-owners would have opportunities to volunteer at the PFC. Discussion continued about the work of the Expansion Policy Committee and the imminent completion of a draft of the policy in early June. Rosie and Erik reported on the member-owners' comments written at the annual meeting. The board elected to revisit the feedback in the future and to continue to take action on the concerns and wishes of the majority of member-owners. New VP Nora Chaus led a discussion about the soon-to-be sent member-owner survey .
